

hey there! my name is **amari kyss**, and i tattoo under the name *grimmtatt* here at **united tattoo** in fountain, colorado. i started my tattooing journey here in the springs and have spent my career focusing on creating meaningful, timeless work that blends bold color traditional with black and grey stipple styles.

tattooing, for me, has always been about connection and getting to meet incredible people and tell their stories through art that lasts a lifetime. i care deeply about making every session feel comfortable, collaborative, and intentional.

most of my designs are available as flash, but i also love working with clients to bring custom ideas to life. whether it's something small and sweet or bold and full of color, i want your tattoo to feel *like you*.

thank you for being here and supporting my work it truly means the world to me. i can't wait to meet you and make something beautiful together ✨
